Phantom Thread

Renowned dressmaker Reynolds Woodcock and his sister Cyril are at the center of British fashion in 1950s London. His carefully tailored existence soon gets disrupted by Alma, a young and strong-willed woman who becomes his muse and lover.

Darkest Hours

Newly appointed British Prime Minister Winston Churchill must decide whether to negotiate with Hitler or fight against incredible odds. During the coming weeks, Churchill's courageous decisions and leadership help change the course of world history.

Three Billboards

After a 50-year-old woman's (Frances McDormand) daughter is murdered, she confronts the police (Woody Harrelson, Sam Rockwell) in her town, using the billboards on the outskirts of town to begin a smear campaign on them.

The Shape of Water

Elisa is a mute, isolated woman who works in a hidden, high-security government laboratory. Her life changes forever when she discovers the lab's classified secret -- a mysterious, scaled creature from South America that lives in a water tank.
