L'École du Samedi

The Alliance Française of Greenwich is proud to offer its longstanding bilingual program designed for French speaking children.

We are responding to a need expressed by numerous families in Fairfield and Westchester counties who want to give their children the opportunity to increase their knowledge of the French language and culture.

The classes are taught in French: the understanding of the language should be mastered. Children will be subject to a placement test.

Classes are taught by experienced native French teachers and will follow the French school curriculum. Students' progress will be evaluated on a regular basis and reviewed by teachers.

Come join us and allow your child to perfect his or her language skills !
